SPARE PARTS FOR CONCRETE EQUIPMENTS

www.meiraexport.com

■ ABOUT US

Meria export is moving towards becoming a leader in the sector with the production and export of concrete pump spare parts, which it has chosen as its locomotive. Customer satisfaction is our priority with our quality product range. We are proud to have been serving many countries for years. Our company, which carries out completely domestic production, also provides perfect service at the point of quality control with its latest technology and experienced team.

We are at your side with assertive figures in the industry for original products.

We provide service with a wide product network of Putzmeister, Cifa, Schwing and Truck Mixer brands.

We look forward to cooperating.
